

## How Do I Get There?

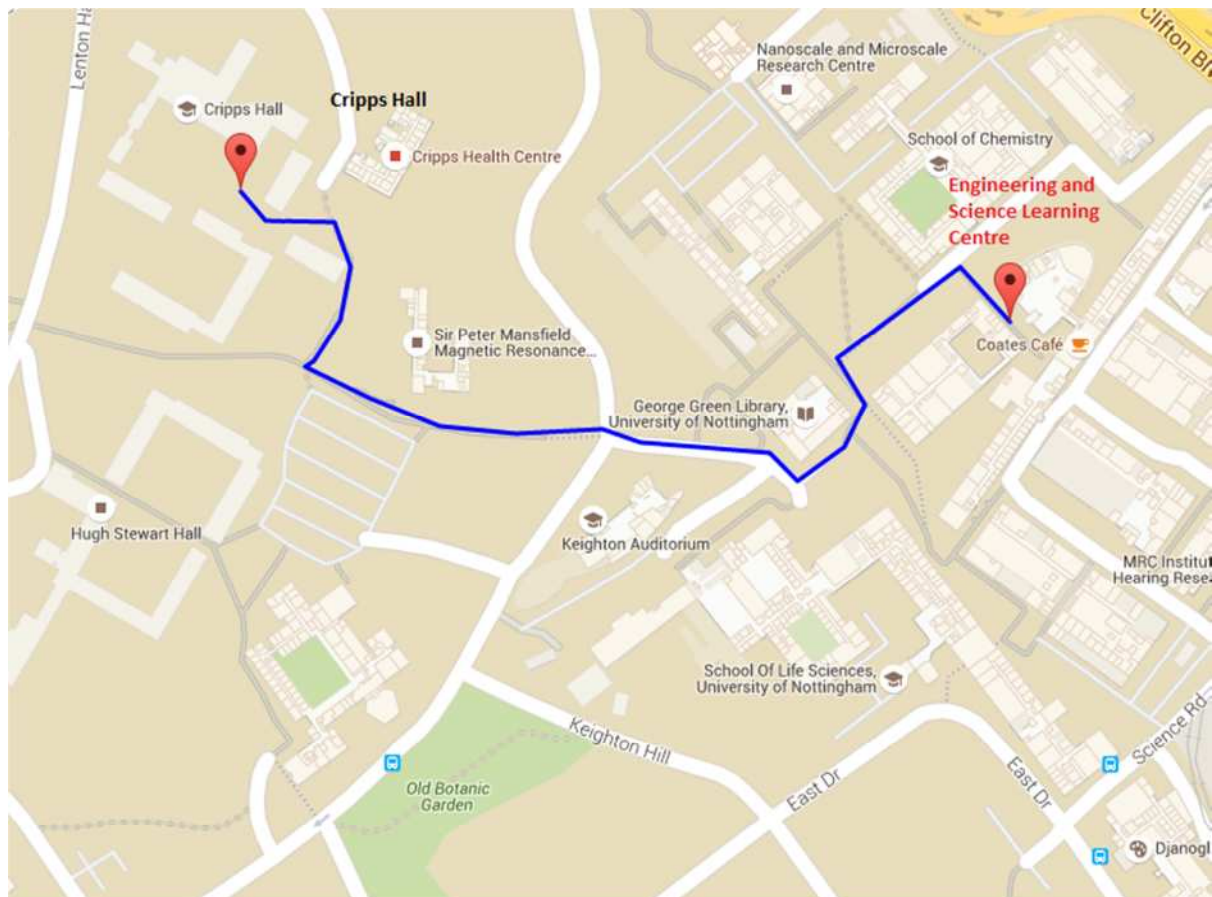

Information on the Nottingham Tram can be found at <http://www.thetram.net/>. When taking the tram from town / the rail station, take the 'Toton Lane' tram and get off at the 'University of Nottingham' tram stop.

The Engineering and Science Learning Centre (ESLC) is about a ½ mile walk from the 'University of Nottingham' tram stop.

It is also about a ½ mile (uphill) walk from the ‘University of Nottingham’ tram stop to Cripps Hall.

This is the route from Cripps Hall to the ESLC.

If arriving by car, you should enter from the North Entrance on Derby Rd (A52) and head towards the Main Visitors' Car Park, which is very close to Cripps Hall (pay & display machine available in the parking lot):
